CHILD PROTECTION SUNDAY MESSAGE

Created in the image of God, all children and young people are our most precious and sacred citizens with a voice that must be heard, respected and valued. Accordingly, we, the people of God in the Catholic Archdiocese of Adelaide are committed to the care, wellbeing and protection of our children and young people.

For this reason, this year to celebrate child protection week, we are giving children and young people a pen with a message about their right to feel safe, happy, respected, listen to, and welcome in their church.

The pen also represents the tools we give children and young people in our church to communicate with adults. Using the pen children can voice how they feel and share their concerns and ideas.

We want children to have a say, to feel that the church is a safe and child friendly environment where they can express themselves, where they can speak up to adults who care about them and are willing to listen.

Besides this message, in 2019 the National Association for the Prevention of Child Abuse and Neglect theme is on introducing a 'child development' communication frame to promote the messages that:

- Kids do well when parents are supported
- To raise thriving kids, parents need support to navigate life's choppy waters

Therefore, in order to protect our children, we need to listen to what they have to say to understand how they feel and what their needs are. And we need to remember that protecting children is everyone's responsibility.

Child Protection Team, Archdiocese of Adelaide.

Building update: The building project group are investigating the stabilizing of the north-east corner of the church. A reasonable quote for underpinning has been received, and at least one other option is being explored. The work on the internal arches has been postponed until next winter, when there will be no weddings. Leaks from the roof and rain flow down the walls will be repaired first. The storm water drains are still being checked.

Priest update: Fr Ben is back to normal. Fr Anthony has begun saying Mass but cannot drive yet. Fr David is bearing up under the stress but cannot drive at the moment. Fr Karl visited Rosary church last Sunday but was unable to concelebrate. We will have to shift some pews a little bit before he can concelebrate Mass.

What do you have to do to be Jesus' disciple?

Connect the dots to find out, starting at the star beside the number 1. Then you can colour the picture in.

Family and Friends or God?

In today's Gospel reading Jesus was saying that we should love God more than we love the people closest to us. He means that we should be ready to do what God wants even if your friends want you to do otherwise.
