## **Ring the bells at Rosary Church!**

The first Masses will be held in the  
refurbished Rosary Church next weekend,  
beginning Saturday 6pm. Congregational  
singing is not allowed because of Covid 19.  
But we can ring bells for joy. **Bring a bell,  
handbell, any sort of bell, and ring it at the  
Rosary Church Masses next weekend.**  
Bells are part of church celebrations, so let's  
make a joyful noise for our Lord with your  
bells at Rosary church next weekend.  
Especially giving thanks for the bright clean  
and safe church building.

## Did you know?

This may become a continuing feature of Dominews. It comes about because the Parish Finance Council wants parishioners to know the cost of the work being done at Rosary church. This was made necessary when an engineer's report identified two arches in danger of collapse. The opportunity was there to do a number of other remedial and upgrading works as well.

The total cost was budgeted at \$457,554.32. The project is on track to finish within this budget. The parish had substantial reserves, thanks to your fundraising and good management in the past. The cost will be met from those reserves.

Not all of us in our parish are 'Roman' Catholics. All Catholics (Ukrainian, Maronite, Melkite, Syro-Malabar, Syro-Malankara, and others) acknowledge the Bishop of Rome as the earthly point of unity for the church.

This seems to have been the instinct almost from the beginning. At first, James, the leader of the Jerusalem church, was as important as any of the others. But before long, Peter's authority emerged as undisputed. Well, not for long.

And not today. The church has been riven by schisms and heresies throughout its history. There are wounds in the unity of Christ's church. But whether saintly or worldly, the Pope is still the touchstone of the unity of the Catholic church, 'the bond of communion' (Catechism). All Catholics, whether Roman or otherwise, have the Bishop of Rome as their chief pastor.

Catholic Safety Health & Welfare South Australia (CSHW SA) is the unit responsible for the implementation and maintenance of the Safety Management System for the Catholic Church in South Australia. It is under its direction that we are conforming to the requirements of South Australian law by the provision of Covid Marshals at each church service. Siobhan has begun the implementation of this requirement. I urge you to co-operate with her and to play our part in keeping SA Covid-free as far as possible. As well as caring for our health, there are penalties if we don't comply.

### COVID MARSHALS

The SA government is becoming more strict about the numbers in gatherings, and the social distancing at the gatherings. There are to be 'Covid Marshals' at all our Masses, to make sure that we are complying with the law. The law is enforceable with large fines as penalties for breaches.

The Covid Marshals at our churches are our parishioners. They have received instructions from the state government and will apply them. Please co-operate for the sake of our health and our reputation.

The SA Government Covid19 requirements state:

'Activities and Gatherings: How everyone is affected.

Density requirements are in place. The total number of people at a place must not exceed 1 person per 2 square metres. Physical distancing, or social distancing principles apply. Every person should attempt to stay at least 1.5 metres from other members of the public. However, this does not apply to people who live together, who are friends or family members, or people who regularly associate with each other.'

The total number of people in our churches by the area is posted at the entrance. But the requirements of social distancing reduces that number still further. Without household or family groupings, the total number of people who can attend St Laurence's church is **51**, in alternate pews only.

And at Rosary church, under the same conditions, the total number of people will be **130**.

## *You are Peter*

In today's Gospel, Jesus asks the disciples who they believe he is. Simon said that He was "the Christ, the Son of the living God!" Simon was just an ordinary fisherman, but Jesus, wanting to build his Church on strong foundations, recognised Simon Peter's faith was strong; rock like! Jesus told him his name would now be Peter, which means rock and that on this rock He would build His Church. Jesus told Peter he would give him the keys of the kingdom of Heaven and that the gates of Hell would not prevail against the Church.

He made Simon Peter the first pope. Jesus gave the teaching authority to Peter, and he passed it down to the bishops through all the centuries until now. Isn't that pretty amazing? Peter is one of the greatest leaders of the early Church.

In Peter, we see an example of how good Christian leaders are grounded by their faith in Jesus.

## MARRIAGE MATTERS

*Twenty-First Sunday in Ordinary Time (Isaiah 22:19-23 Rom 11:33-36 Matt 16:13-20)*

### The Key to Family Life

Today's Gospel places keys at the heart of the responsibility Jesus gives Peter. In spite of his weaknesses and failings, because of his faith, he is entrusted with the 'keys' to the kingdom of God. Our married love is entrusted with the 'keys' of our family life. We are the 'rock' upon which the future of our family will be built.

## PARISH

### Thank you

\$1,051 was raised last week in support of the National Emergency Appeal for Lebanon. Thank you for your generosity. We would also like to express our gratitude to Marie Whitehead and Lydia Newland for the jam and preserves they donated in aid of this appeal.

### Happy 70th Anniversary!

We would like to wish Giovanni and Edda Spizzo a very happy anniversary as they celebrate 70 years of married life. May God bless you both on this momentous occasion.

### Dominews
